A summer at Camp Gan Israel provides your child with a rich and wholesome true camping experience with lots of fun and excitement while forging friendships and gaining a meaningful Jewish experience. CGI has all the benefits of specialty camps - rolled up into one! The safety and security of our campers is our #1 priority. Counselors to camper ratios are structured to maintain the highest level of supervision. Seatbelts are provided on the bus. The campers are broken down into smaller groups for trip days and for when we go to the beach. Additionally, each child receives a bright colored camp T-shirt and a safety bracelet with the camp information on it for their security.

This is just an outline of our main activities (subject to change), we have action packed days, all day every day!!
